Bear is a beautiful brindle and white bull. He has a really cool horn direction, back and down! He is out of a big son of Drag Iron, Loaded Dice! His Dam, GF Crown Crescent, comes strait from the Glendenning Farm, she goes to a Huge bull, Kingsman! We expect great things from this bull! Long M Ranch owns this bull in partnership with Jesse Walburn! The cherry on top.... he is homozygous wild type meaning that all of his calves will get one copy
